FIND

— *Where is someone else's peace being disturbed?*

- "Somewhere in the marketplace, somebody else is experiencing tension too."

WHAT TENSION
CAN **YOU RESOLVE**

Awareness is the first step. Provision begins within.

PROVISION PATHWAY WORKSHOP

Business Secret From Jesus

— *“Blessed are the peacemakers,
For they shall be called sons of God.”*

Peace is more than the absence of conflict.

It carries ideas of **wholeness, well-being, completeness, soundness, harmony** and things being as they ought to be.

So we might think of a peacemaker as someone who enters a situation containing **disorder, tension, fragmentation** or **deficiency** and helps move it toward **wholeness and proper order**.

And suddenly this sounds remarkably like **value creation**.

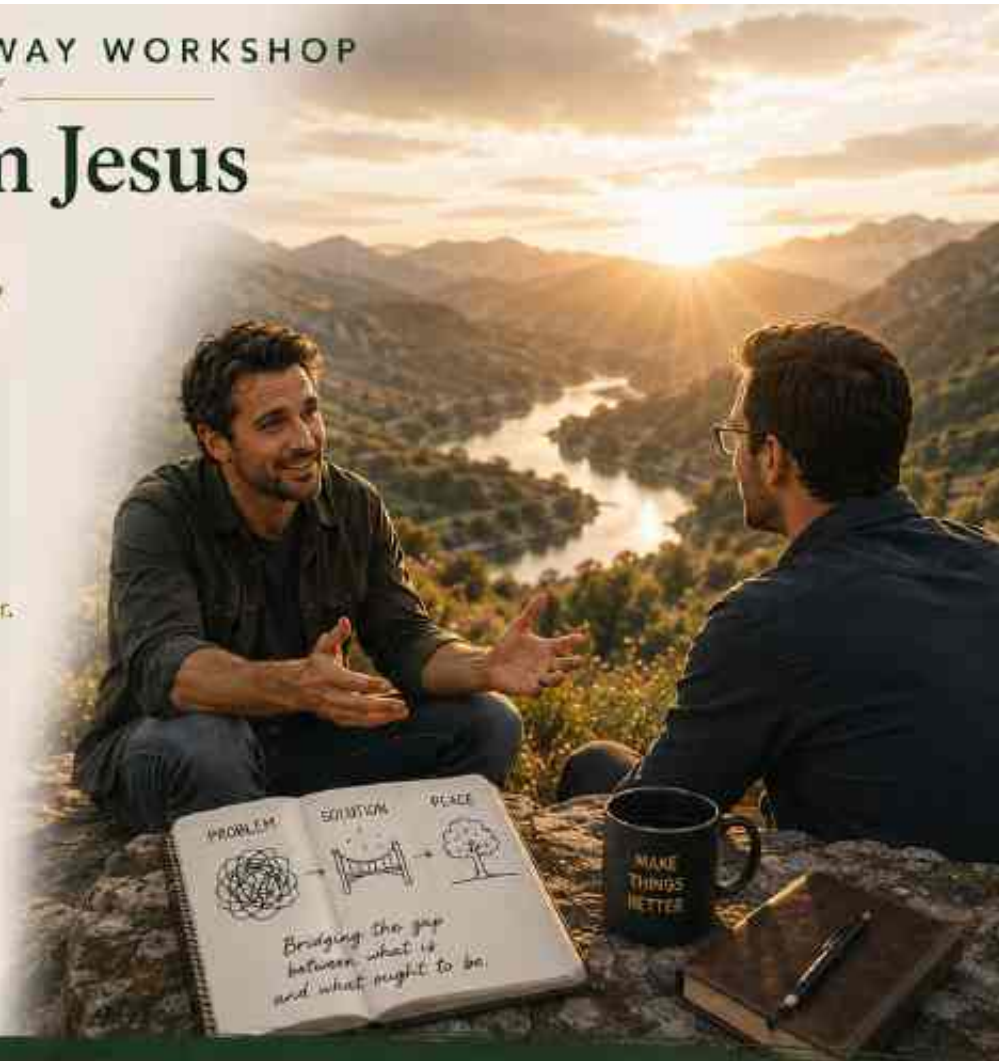

A business exists because something isn't as it should be. Every legitimate business transaction bridges a gap between **WHAT IS → WHAT OUGHT TO BE**

The customer has a **problem, frustration, deficiency, inconvenience, uncertainty** or **unmet desire**.

The entrepreneur sees that gap and says:
“I can help.” That's remarkably close to peacemaking.

Awareness is the first step. Provision begins within.

PROVISION PATHWAY WORKSHOP

Problems are *disturbances of peace*

A **problem** represents some form of **disorder**:
losing money, wasting time, unable to
accomplish something, experiencing friction,
lacking something they need, etc.

Business at its best is the **organized
creation of solutions** that restore some
dimension of order, usefulness, well-being
or wholeness.

Awareness is the first step. Provision begins within.

PROVISION PATHWAY WORKSHOP

The best entrepreneurs are *professional tension-removers*

Every valuable problem contains **tension**.

The customer is saying:
"I am **HERE**, but I want to be **THERE**."

That gap creates **tension**.

The person who can move them from one to the other has **made peace** with a problem.

PROBLEM → **TENSION** → **SOLUTION** →
RESTORATION → **VALUE**

The greater the disturbance, and the more completely you can resolve it, the **greater the potential value** of your contribution.

Awareness is the first step. Provision begins within.

PROVISION PATHWAY WORKSHOP

Peacemaking

is very important in sales.

- Consider what prevents many purchases.

- There's an internal conflict in the buyer:
 - "I want this...but I'm afraid."
 - "I need this...but is it worth the money?"
 - "This sounds good...but can I trust you?"
 - "I believe I need to change...but what if I make the wrong decision?"

Great selling isn't creating pressure.
It is **resolving the tensions** that prevent
someone from confidently making
the **right decision**.

Awareness is the first step. Provision begins within.

PROVISION PATHWAY WORKSHOP

The marketplace *rewards peacemakers*

Instead of merely asking... 'What problem can I solve?'

Ask: 'Where has peace been disturbed?'

Then ask: "Who is experiencing that disturbance strongly enough to want it resolved?"

And finally ask: "What could I create, communicate or deliver that would restore order, wholeness or well-being?"

That's essentially **problem discovery** through the lens of shalom.

The problem identifies the place where **peace** needs to be made.

Awareness is the first step. Provision begins within.

You can hear the message and be inspired.

You can understand the principles and see the possibilities.

You can take action and put it to work.

But real transformation changes who you are — and the future you create.

my sales increase by **up to 100% conservatively.**

I also signed our company's largest client...an account

THE NARROW PATH TO EXTRAORDINARY RESULTS

Most people want freedom first.
God's pattern is different.

*The gate is narrow...
but the life on the other
side becomes expansive.*

THE BROAD PATH

Feels easier, leads to frustration.

- ✗ Follow the crowd
- ✗ Seek quick results
- ✗ Avoid discomfort
- ✗ Chase temporary rewards

*"Narrow is the gate
and difficult is the way
which leads to life..."*

Matthew 7:14

THE NARROW PATH

Requires discipline, leads to freedom.

- ✓ Develop competence
- ✓ Practice discipline
- ✓ Think long-term
- ✓ Create genuine value

**SUCCESS IS NOT FOUND IN ESCAPING CONSTRAINTS.
IT IS FOUND IN ALIGNING WITH GOD'S DESIGN.**

THE FOOLISH BUILDER

HEARS BUT DOES NOT DO

- ✗ Chases quick fixes
- ✗ Follows trends
- ✗ Depends on others' formulas
- ✗ Let's emotions lead
- ✗ Delays action
- ✗ Builds on what feels right

THE WISE BUILDER

HEARS AND DOES

- ✓ Builds on God's truth
- ✓ Applies what they learn
- ✓ Develops godly wisdom
- ✓ Takes disciplined action
- ✓ Builds lasting systems

BUILDS ON

Stands through the storm.

DON'T JUST HEAR A BETTER WAY.

BUILD ON IT.

*"Therefore whoever hears these sayings of Mine, and does them,
I will liken him to a wise man who built his house on the rock."*
